

GOVERNMENT CONTRACTING

CAPABILITY STATEMENT

Company Overview

VALCO Sales is a veteran-led Service-Disabled Veteran-Owned Small Business specializing in federal product sourcing and supply requirements. Led by Daniel Archival, President, and William "Bill" Archival, Director of Operations, Valco supports VA Medical Centers and hospitals, FEMA, and other federal agencies through qualified manufacturers, authorized distributors, and established suppliers.

Our focus is responsive, solicitation-specific sourcing, specification verification, pricing and availability coordination, and dependable fulfillment for medical, safety, industrial, operational, IT, fleet, and equipment requirements.
